

Are you searching for new challenges? Inspiration? Would like to participate in the implementation of scientific projects? Are you a Ph. D. student or Postdoctoral candidate?

[Maria Curie-Skłodowska University](#) in Lublin, Poland, as the largest university in Eastern Poland offers you academic programs at undergraduate, graduate and doctoral levels with over 50 fields of studies at 11 faculties but is also open to your ideas regarding fellowships and project ideas. If you are open-minded, have extraordinary initiatives we will cordially welcome you at our university which conducts research and development activities within its 11 faculties (of Arts; Biology and Biotechnology; Chemistry; Economics; Philosophy and Sociology; Humanities; Mathematics, Physics and Computer Science; Earth Sciences and Spatial Management; Pedagogy and Psychology, Political Science; Law and Administration). We are seeking to develop collaborative funding proposals with experienced researchers for submission under the Marie Skłodowska-Curie Individual Fellowship (IF) programme.

Please note that there is an **open call** ([Maria Skłodowska-Curie Individual Fellowship](#)) available for **Experienced Researchers** who at the deadline for the submission of the proposal (**10 September 2015**) have a doctoral degree or at least four years of full-time equivalent research experience.

If you are interested in our proposal please submit an expression of interest (CV and a brief description of your research area) to the following address: fundusze@poczta.umcs.lublin.pl
