

The background of the slide is a photograph of the Erasmus MC building in Rotterdam, a tall, modern glass skyscraper with a unique stepped design. To the left, the Erasmus Bridge is visible, a cable-stayed bridge with a white pylon and numerous cables. The scene is set against a sunset sky with warm orange and yellow tones, and the buildings and bridge are reflected in the water in the foreground. The Erasmus MC logo is overlaid on the right side of the image.

Erasmus MC
University Medical Center Rotterdam

Erasmus

1ST International course

The EMC Rotterdam Laryngeal Cancer Treatment Program

23 - 24 April 2020
