

Information on the final exam for the 5th year medical students during summer semester

- 1. At this moment – no data available. This decision will be made by IT Department and Dean of the MF.**
- 2. We intend to examine 4 groups or two teams per day. Each team involves two groups. In turn each team must involve max 25 students according to the instruction of IT Department. Thus there are 4 exam dates.**
- 3. The exam will start at 9 00 a.m. BG time.**
- 4. After starting the test, you must turn on your microphones and cameras. It is obligatory for all students to use a computer, not other devices. Audio- and video control will be arranged by Webex.**
- 5. The test will be conducted through Assignments using the Teams application.**
- 6. The test will include 50 questions on all topics of the syllabus. They will be with different difficulty, single – order type, second- order type, with only one correct answer.**
- 7. 90 minutes will be given for solving the test. Anyone who returns the test after this period of time will be counted as a late submission and will be declared invalid.**
- 8. Evaluation of the test will be done by the criteria used up to now – 55-64% - 3, 65-74% - 4, 75-84% - 5 and 85-100% - 6**
- 9. The students falling in the interval 50-54% can get through an oral exam to get the mark -3.**
- 10. The students falling in the interval 80-84% can get through an oral exam to get the mark -6.**
- 11. The final mark will be based on the results of the test and the marks from the practical lessons.**
- 12. Oral exam is also provided through Webex or Teams on forensic cases and topics of the syllabus.**
- 13. The mark will be announced by the the end of the exam day**
