

## ***INVITATION***

**Department of Microbiology and Immunology, Faculty of Pharmacy, MU-Plovdiv  
and Laboratory of Microbiology, University Hospital "St. George"-Plovdiv**  
with the kind support of **RIDACOM Company**  
are pleased to invite you to participate in:

### ***Agar Art – a drawing contest with microorganisms***

In honor of the upcoming European Antibiotic awareness day (18.11) and the 75<sup>th</sup> Anniversary of the Department of Microbiology and Immunology (27.11) with the kind support of RIDACOM Company we are organizing for the third time the local **Agar Art contest** – a drawing with microorganisms in a petri dish.

You can create your own unique drawing with living bacteria and fungi **in the Department of Microbiology and Immunology from the 3<sup>rd</sup> to the 13<sup>th</sup> of November 2020.**

At the department and on our website you will find the schedule with the drawing hours.

All participants and their creations will be published on the website and FB-page of the department on November 18<sup>th</sup>. After selection, the best three drawings are going to be awarded:

- Winner of the Department
- Winner of the audience
- Winner of RIDACOM

The winners from our local contest will receive their awards **on November 27<sup>th</sup>, 2020 (Fri) at 13:00 during the celebration of the 75<sup>th</sup> Anniversary of Microbiology and Immunology department.**
