

Terms and conditions

*for participation in the local Agar art contest
for drawing with microorganisms in MU – Plovdiv
with the kind support of RIDACOM*

Dear students,

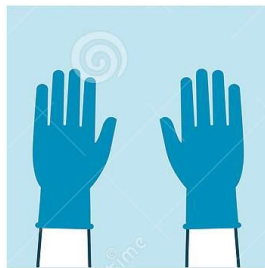

Come and show your creativity and art skills at the Microbiology and Immunology department!

At the department and on our website you will find the schedule with the drawing hours.
<https://mu-plovdiv.bg/en/faculties/faculty-of-pharmacy/departments/department-of-microbiology-and-immunology/>

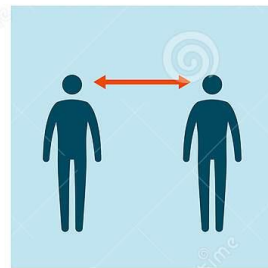

In order to take the needed safety measures during the COVID-19 pandemic, each student wishing to participate must pre-register by e-mail to the department: microbiology@ff.mu-plovdiv.bg to coordinate and save the selected date and time from the schedule. To be allowed in the drawing room, the student must be wearing a protective mask, gloves and keeping safe distance of 1.5 m.

**WEAR
A FACE MASK**

**WEAR
DISPOSABLE GLOVES**

**KEEP
SAFE DISTANCE**

After you finish your art piece - drawing on agar, send the best photo (at least 1500x1500 px resolution), to email: microbiology@ff.mu-plovdiv.bg , including a brief description about:

1. Name of the participant
2. Name of the drawing
3. Type of the nutrient medium you used
4. The bacteria and / or fungi you used
5. Your phone number

All art pieces can participate in the upcoming national contest !
