

REGULATIONS AND CRITERIA FOR THE EXAM FOR PHARMACOTHERAPY

- The exam will be conducted through the Office 365, Teams and Forms systems.
- MS Teams will be used for video surveillance during the exam.
- The place of the exam: in MS Teams: in the team of the respective student group

The regular pharmacotherapy exam will be held on January 16, 2021 at 9 am for the entire course in three stages.

Ist part:

Place of test – LECTURE CHANNEL in Teams. Duration – 60 minutes.

Entrance test of 100 questions. Each question has 4 possible answers, of which one is the correct answer. A minimum of 60 correct answers is allowable (60%).

Students who cover the minimum points in the first part acquire the right to participate in the second part.

IInd part:

Place of exam – the CHANNEL FOR PRACTICALS of each student group. Duration – 60 minutes. Students must have cameras and microphones turned on as they will be under video and audio surveillance.

The second part consists of questions (20 number) and therapeutic tasks (3 number). The regulation for questions requires short answers from 1-2 words to 2-3 sentences. A minimum of 12 correct answers is allowed (60%).

The regulation for the therapeutic tasks corresponds to the STUDENT EVALUATION PROTOCOL FOR THE THERAPEUTIC CASE, used by the students in the course of study in the discipline. During the exam, students must have a printout of the protocol in front of them in order to use it in answering the therapeutic tasks.

The admissible minimum is 2 correct tasks, each with a minimum of 60 points (60%). The student receives a POOR GRADE FOR THE EXAM if the minimum percentage of any of the specified parts is not covered. Final grades will be announced within 7 days of the Teams exam.
