

PHARMACOLOGY EXAMINATION INFORMATION
Master of Pharmacy 3rd year - education in Bulgarian, academic year 2020/2021•

Taking an exam at:

June 11, 2021 - 8.00 am - in the building of the Faculty of Pharmacy

- Start of the exam - 08:00. Students must be in the hall 15 minutes before the start of the exam.

The exam begins with an ENTRANCE TEST – 40 closed questions with one correct answer in 30 minutes.

Grading scale:

- Weak (2) - with a score below 24 points (below 60%);
- Medium (3) - from 24 to 28 points inclusive (61 - 70%);
- Good (4) - from 29 to 32 points inclusive (71 - 80%);
- Mn. Good (5) - from 33 to 36 points inclusive (81 - 90%);
- Excellent (6) - from 36 to 40 points inclusive (91 - 100%).

Students who have successfully passed the entrance test acquire the right to take a WRITTEN EXAM on two questions from the syllabus for 60 minutes. Successfully passed a written exam with a score above 3.00, on each of the two questions, acquire the right to take an ORAL EXAM. At the oral exam the student draws a ticket with 6 prescription tasks. An acceptable minimum for this part of the exam is 4 correctly written recipes. An oral interview with the examination commission on the recipes and the study material follows.

The FINAL GRADE from the exam is formed according to the approved standard in the discipline, as follows: entrance test, written exam, oral exam, grades from the colloquia in the first and second semester and annual grade in the subject.
