

**Regulation for conducting the exam in Epidemiology with 4th year, FDM
for the academic year 2020/2021**

The exam is general - Hygiene and Epidemiology. Each student will receive separate grades in both disciplines, and the overall grade will be formed as the arithmetic mean of the two in favor of the student. The exam with English-speaking students will be held on June 15, 2021 in an electronic environment, office 365. The epidemiology exam will start at 9:00 am and the hygiene exam at 10:00 am. For the Epidemiology exam, students will receive a test with 40 closed questions. The number of questions is consistent with the volume of study material in the program (a total of 20 teaching hours, of which 10 lectures and 10 seminars). Response time - 30 minutes. Ratings: up to 24 incl. correct answers - 2; from 25 to 28 incl. - 3; 29 and 30 - 3.5; 31 and 32 - 4; 33 and 34 - 4.5; 35 and 36 - 5; 37 and 38 - 5.5; 39 and 40 - 6.
