

Dear students,

The final exam on Infectious Diseases, Epidemiology, Parasitology and Tropical Medicine will be held in person in the Auditorium complex on 12<sup>th</sup> and 13<sup>th</sup> of July.

The detailed schedule is published on the table below. Your final exam has four stages and the final grade is calculated as a mean of the grades of the four parts.

**The Infectious Diseases Final Exam** includes an entry test of 15 MCQs and 1 essay from the syllabus. The entry test is considered passed if you have at least 10 correct answers.

**The Tropical Diseases Final Exam** includes an entry test of 10 MCQs and 1 essay from the syllabus. The entry test is considered passed if you have at least 7 correct answers.

**The Epidemiology Final Exam** includes an entry test of 15 MCQs and 2 essays from the syllabus (one from the general and one from the special epidemiology sections). The entry test is considered passed if you have at least 10 correct answers.

**The Parasitology Final Exam** includes 2 essays from the syllabus (one from local and one from tropical parasitosis).

Students who failed on one of the above listed components will do only that part on the resit date.
