HEALTH AND SPORTS, PROFESSIONAL STRAND 7.2 DENTAL MEDICINE AT THE DEPARTMENT OF SOCIAL MEDICINE AND PUBLIC HEALTH, FACULTY OF PUBLIC HEALTH, MEDICAL UNIVERSITY OF PLOVDIV**

**One candidate participates in this competition: Senior Assist. Prof. Yulia Bogdanova Peeva, PhD.**

**I. Analysis of the career profile of the candidate.**

According to the presented CV Dr Yulia Peeva graduated from Medical University of Plovdiv in 1994 with Master degree of Stomatology. In 2005 she won a position as Assistant Professor at the Department of Social Medicine and Public Health, Medical University, Plovdiv. In 2012, she was enrolled as a PhD student of individual training. The title of her PhD thesis is "Awareness and motivation for orthodontic treatment of children from Plovdiv", successfully defended in 2015. Dr Peeva did a specialization in Social Medicine and Health Management (2008, Sofia). From 2005 Dr Peeva belongs to the academic staff of Social Medicine and Public Health Department, Faculty of Public Health, Medical University, Plovdiv and currently she is a Senior Assist. Professor (2011/2016) at the same Department.

**II. General description of the submitted materials for the competition.**

Dr. Yulia Peeva has submitted the materials for the competition in electronic form, including: An application letter; CV; Diplomas for completed higher education; Certificate of a recognized specialty; Diploma for PhD; Certificate of internship; Report on the academic positions held so far; Academic report on workload; A copy of the last attestation sheet; Lists of scientific works; Lists of citations; List of participations in projects; Reports on the impact factor; Report on contributions; Self-assessment for implementation of the national minimum requirements; Declaration of originality and veracity; Completed forms for the National Centre for Information and Documentation (NACID); Contribution protocols; Evidence material with copies of publications summaries; other documents.

**III. Evaluation of the scientific production of the candidate for the overall academic development.**

The scientific works presented by Dr. Yulia Peeva can be divided into the following thematic areas - Socially significant diseases (orthodontic pathology – medical and social aspects); Quality in dental health care system and Varia.

In the current competition Dr. Yulia Peeva has presented dissertation thesis with autoreferate, and list of 55 papers divided into: 12 IF publications and reports in scientific journals, referenced and indexed in databases with scientific information (Scopus and Web of Science). The rest papers and reports are published in non-referenced journals with scientific review or published in edited collective volumes. Dr. Yulia Peeva has also 48 participations in scientific events: 30 international (14 posters and 16 oral presentations) and 17 national scientific congresses (8 posters and 10 oral presentations). Dr. Yulia Peeva is also presented in the current competition with one monograph (Peeva Yu. Awareness and motivation for orthodontic treatment through the eyes of orthodontists, children and parents. Sofia: Leading technologies in dentistry' company, (2017). 260 p. ISBN 978-954-90363-8-1) and one book as a standalone author.

#### **IV. Reflection (citation) of candidates' publications in national and foreign literature (publication image).**

Dr. Yulia Peeva has 64 citations in scientific journals, referenced and indexed in world-famous databases with scientific information (Scopus and Web of Science) of which 32 citations in IF articles.

#### **V. Complex, qualitative assessment of the educational and methodological and teaching activities.**

The candidate provided academic reports for study workload, exceeding the regulations for assistant professors at the Medical University of Plovdiv. The educational and methodical and teaching activity of Dr Peeva is 1535 hours (classes with Bulgarian- and English-speaking students) and 38 hours lectures for the last 3 years. The candidate is involved in exams of dental medicine students. The positive impression on their educational, methodological and teaching activities are confirmed by her very good evaluation by the intra-University Attestation Commission.

#### **VI. 7. Critical remarks and recommendations.**

Dr Peeva is first author of only 17 of the presented publications!

#### **VII. General assessment of the compliance of the candidates with the mandatory conditions and the mandatory quantitative criteria and indicators according to the ADASRB, RAADASRB and The Regulations of MUP.**
