for exam on Pharmaceutical care

Exam date:

- 21.06.2022 г.

Information on conducting the exam:

- The exam will be held in the Faculty of Pharmacy, on the 3rd Floor, 302 hall.
- The exam starts at 09:00 am. Students must be in the Faculty of Pharmacy 15 minutes before the beginning of the exam.

Information about the form of the exam:

- The exam will be in three parts:
 1. **One** question (topic) from the Exam syllabus.
 2. **One** practical case.
 3. **Discussion.**

The operating time is **90** minutes.

- Students must have worked on both parts of the exam – the topic and the task to be assessed. The topic and the task are evaluated separately. The final grade is the arithmetic mean between the topic and the task. If a student received a poor result in one of the two parts – the overall grade is poor 2.
