## ***INVITATION***

The Department of medical microbiology and immunology “Prof. Dr. Elissay Yanev”, MU-Plovdiv and Laboratory of Microbiology, University Hospital "St. George"-Plovdiv with the kind support of RIDACOM Company are pleased to invite you to participate in:

### ***Agar Art contest***

In anticipation of the "European researchers' night" (September 30<sup>th</sup>, 2022), the Department of medical microbiology and immunology “Prof. Dr. Elissay Yanev” with the kind support of RIDACOM are organizing for the fourth time a local **Agar Art contest** for drawing with living microorganisms in a glass petri dish.

All students who wish to participate will be able to create their own unique drawing with living bacteria and fungi **from the 19<sup>th</sup> to the 23<sup>rd</sup> of September 2022 at the Department of Medical Microbiology and Immunology** (see schedule on page 2).

After selection, the three best agar art-on-a-glass drawings are going to be awarded:

- Winner of the Department
- Winner of the audience
- Winner of RIDACOM

All creations of the contestants will be presented in a live exhibition from 16:30 o'clock on **September 30<sup>th</sup>, 2022** during the European researchers' night, and **the winners will be announced at 18:00 o'clock**. All art pieces will also have the opportunity to participate in the upcoming national Agar art contest!
