

# ORDINANCE

№ *РД-13*

Plovdiv, *20.09.2022*

On the grounds of Ordinance № РД-01-425/31.08.2022, incompliance with Ordinance № РД-01-432/07.09.2022 of the Minister of Healthcare and in relation to the continuing COVID -19 pandemic.

## I O R D E R

The education of students at MU of Plovdiv is to be held in compliance with the following antiepidemic measures with the aim of reducing the risk from the spread of SARS-CoV-2:

1. Regular ventilation and disinfection.
2. No access to the premises of MU of Plovdiv of individuals with manifestations of acute respiratory diseases (increased temperature, headache, runny nose, cough, difficulty breathing etc.)
3. Instruction of staff, lecturers and students on the correct hand hygiene and provision of soap, water and disinfectant.
4. Whenever necessary a distance form of training is to be organised (work at home/ distance work) and/or working time with variable working hours or shift work which is to be coordinated with the academic management.
5. Crowding of students in front of working premises, rooms, auditoria etc. shall be avoided and in addition rules for maximum distance between the students present at seminars, lectures and exams are to be established.
6. The mixing of whole flows of students in closed premises for a long time is to be avoided, especially in the absence of proper ventilation and air volume, posing a significant risk for COVID-19 spread among the present individuals.
7. If appropriate, lectures and seminars are to be held in the presence of a smaller number of students in order to allow for physical distance as far as possible.
8. If possible, the administrative staff should be provided with an opportunity for distance work with a view to reducing the number of people present at the University which is to be in compliance with their duties and the nature of their work and is to be approved by the academic management.

The present Ordinance needs to be brought to the knowledge of Vice-Rectors, Deans of Faculties and Directors of the Medical College and Department of Languages and Specialised Training, Assistant Rector, Director of the Auditorium Complex, Heads of main units at Medical University of Plovdiv and the Chairman of the Student Council for information and implementation as well as to be published on the university's website.

Control over the implementation of the Ordinance I assign to the Vice-Rector of Educational Activities.
