

## ORDINANCE

№ P-2050/02.09.2022

On the grounds of Ordinance ПД-01-425/31.08.2022, in connection with Art. 32, para. 1, item 1 of the Higher Education Act and Art. 20, Para. 1, item 1 of the Regulations of Organization and Operation of Medical University-Plovdiv.

### I O R D E R :

Educational process at Medical University Plovdiv during winter semester of the academic 2022/2023 year should be organized as follows:

1. Practicals for students of all specialties in full-time form of education to be held in person.

2. The lectures for the students of all specialties in full-time form of education to be held in person with the exception of the lectures for the Bulgarian and English-speaking students from the specialty of „Medicine”, which will be divided into two streams with alternating face-to-face lectures with those in an electronic environment over two weeks.

3. For students studying part-time in the Faculty of Public Health, practicals and lectures to be held in a hybrid form /in person and in an electronic environment/.

4. To continue the strict application of anti-epidemic measures to prevent the risk of spreading of COVID-19 on the territory of Medical University-Plovdiv by wearing masks in closed rooms, lecture and seminar halls, as well as in medical institutions, hand hygiene, ensuring physical distance, disinfection and ventilation of the university premises during practicals.

This Ordinance to be brought to the knowledge of the Vice-Rectors, Deans of Faculties and Directors of Medical College and Department of Specialized and Language Training, Assistant Rector, Director of Auditorium Complex, Heads of main units at Medical University – Plovdiv and the Chairman of Student Council for information and implementation, as well as to be published on the website of the university.

Control over the implementation of this Ordinance to assign to the Vice-Rector of Educational Activities.

PROF. MARIANNA MURDJEVA, MD, PHD, ~~HMMA~~  
Rector
