

ORDINANCE

№ P-2104/14.09.2022

On the grounds of Ordinance РД-01-425/31.08.2022, in relation to article 32, paragraph 1, item 1 of the Higher Education Act and article 20, paragraph 1, item 1 of the Regulations of Organization and Operation of Medical University of Plovdiv and according to the Decision of the Academic Council - Minutes No. 9/13.09.2022 herewith I

A M M E N D A N D S U P P L E M E N T :

Rector's Ordinance No. 2050/02.09.2022 regarding the start of the academic process for the winter semester of the 2022/2023 academic year, as follows:

1. Seminars for the specialties of Medicine and Dental medicine in the departments of Anatomy, Histology and Embryology are to be held following the rotation model /face-to-face training and remote online training/ on a weekly basis. (One week for Bulgarian students and the following week for foreign students).

2. Training in Pharmacology and Clinical pharmacology for students in the Medicine specialty is to be held following the rotation model /face-to-face training and remote online training/ on a two week basis. (Two weeks for Bulgarian students and the following two weeks for foreign students).

3. Classes are to be held in strict compliance with all previously prepared schedules, which, if necessary, include Saturdays. The latter should be taken into account when providing 2 days off per week for teachers.

This Ordinance needs to be brought to the knowledge of Vice-Rectors, Deans of Faculties and Directors of the Medical College and the Department of Languages and Specialized Training, Assistant Rector, Director of the Auditorium Complex, Heads of main units at Medical University of Plovdiv and the Chairman of Student Council for information and implementation, as well as it is to be published on the university's website.

Control over the implementation of this Ordinance I assign to the Vice-Rector of Educational Activities.
