

# EBSCO Webinar for Medical University Plovdiv: A Premium Tool for an Advanced Academic Research

Dear Researchers,

You are invited to a webinar where we will show you the **EBSCO Discovery Service** tool through which you can access all of your library's resources in one search box.

The webinar agenda is as follows:

**1. What is EDS**

- How is EDS created and customized
- Relevancy ranking and Enhanced subject precision
- Full Text Finder
- Publication Finder

**2. Live demo of the EDS user interface**

**3. Q&A**

The session will be recorded.
