EXAM INSTRUCTIONS

MEDICAL DEVICES

The student examination will be conducted according to the following schedule:

SUBJECT	DATE AND GROUPS	START TIME	Location of Examination
Medical devices	10.06.2025 г. - 13 Group	09:00	Auditorium complex, Medical University of Plovdiv, 1st floor, Auditorium I

Information on the Examination Procedure

- The examination will be held in person.
- Examination location: Auditorium Complex, Medical University of Plovdiv, 1st floor, Auditorium I.
- Start time: 9:00 AM. Students must be in the examination hall 15 minutes prior to the start of the exam.
- All electronic devices are submitted to the invigilators completely switched off.
- Students are required to bring their student books and a blue pen.

Information about the Examination Format

The examination will be conducted in the form of a multiple-choice test

- The test consists of 40 questions covering the entire syllabus of *Medical Devices*:

- 20 true/false statements, where the student must indicate whether each statement is correct or incorrect. Each correct answer awards 1 point.
- 10 multiple-choice questions with a single correct answer. Each correct answer is worth 1 point.
- 10 open-ended questions. Each question indicates the number of points it carries.

The total duration of the exam is **60 minutes**.

Grounds for Exam Invalidation

The examination will be annulled in the following cases:

- The use and presence of additional electronic devices not handed to the examiners before the start of the exam
- Use of unauthorized materials or cheating aids.
- Communication between students during the examination.
