REQUIREMENTS

for the theoretical exam
in Pharmaceutical technology part I,
summer session of the 2026/2027 academic year

EXAM FORMAT

- ***Written part*** – conducted in person according to a schedule (available at the Department of Pharmaceutical technology and biopharmacy), in a controlled electronic environment, in the form of a test using the *MS Forms* application. Each student fills out the exam form after logging into the *Office 365* platform with the personal student account (username and password). Students use the computer equipment provided by the examination committee. The test covers the syllabus of Pharmaceutical Technology part I and includes a total of **55 questions** (time for the test – **90 minutes)**:
  · 40 MCQ with one correct answer;
  · 15 open-answer questions.

- ***Oral part*** – after the tests are reviewed, students may be invited by the examination committee to an oral exam in order the final exam grade to be formed. The oral discussion is based on the syllabus for Pharmaceutical technology part I, available on the department's website.

EXAM GRADE

- The maximum number of points for the written exam is 100 points:
  · MCQ – a correct answer provides 1 point per question;
  · Open-answer questions – a complete correct answer provides 4 points per question.

- Exam grades are formed according to the academic standard:

  (≤ 60%) – Poor (2);
  (61-70%) – Average (3);
  (71-80%) – Good (4);
  (81-90%) – Very good (5);
  (≥ 91%) – Excellent (6).

- Students who have not passed the practical exam cannot participate in the theoretical exam.

Accepted by the Department Council with. Prot. № 06/14.09.2026.
